Cancer and Blood Diseases Institute  
Cincinnati Children's Hospital Medical Center

**April 7-8, 2016**

**Location:**  
Cincinnati Children's Hospital Medical Center  
Research Building Auditorium, Location "S"  
3333 Burnet Avenue Cincinnati, Ohio 45229

### Course Goal

Using lectures, discussion and practice sessions, this course aims to prepare clinicians and hemoglobinopathy counseling professionals to work effectively with patients with hemoglobinopathies by increasing their knowledge of hemoglobin variants.

### Audience

Hemoglobinopathy counselors, educators, social workers, nurses and other health professionals

### Course Highlights

- Genetics & Hematological Manifestations of SCD
- Management of Clinical Issues and Advances in SCD
- Thalassemias
- Psychosocial Issues and Pain Management
- Newborn Screening for Hemoglobinopathies
- Newborn Screening Laboratory Results
- Cross-Cultural Communication

### Registration

Registration for the two-day course is \$150. The course will be held from 8am - 5pm each day. All instructional materials, continental breakfasts and snacks during breaks are included. Lunch is not included.

The deadline for registration is March 24, 2016 and is limited to the first 40 participants.

- Early registration is recommended.
- There can be no refund for cancellations.

### Location & Accommodations

The location of the course is at Cincinnati Children's Hospital Medical Center, 3333 Burnet Avenue, Cincinnati, Ohio 45229 in the Research Building Auditorium, Location "S".

Rooms are available at the Kingsgate Marriott Conference Center at the Cincinnati Children's room rate. There is not a block of rooms reserved for this event. The telephone number for hotel reservations is 513-487-3800.
